MEMORANDUM

JANUARY 18, 1968

TO: Boston Redevelopment Authority

FROM: Hale Champion, Development Administrator

SUBJECT: REQUEST FOR APPROVAL OF MINIMUM DISPOSITION PRICES  
REHABILITATION PROPERTIES  
WASHINGTON PARK R-24

SUMMARY: This memo requests approval of minimum disposition prices for five rehabilitation properties in the Washington Park Urban Renewal Area.

Two rehabilitation reuse appraisals have been completed on five properties which the Authority intends to dispose for rehabilitation. Their location is indicated on the attached Summary Sheet as well as in the Resolution. They have been designated Parcels R-17 through R-21 inclusively.

In accordance with its adopted policies and procedures, the Authority is making these properties available as housing opportunities for displaced families, project residents, and other interested parties with special consideration being given to families displaced by urban renewal activities.

A study of both reuse appraisals for each property indicates that despite appreciable rehabilitation expenditures to be made on each property, there is a resultant economic loss in value in two instances. The attached sheet summarizes the appraisal findings.

In accordance with HUD policies, therefore, a nominal land value has been assigned to Parcels R-17 and R-21 and an appropriate value has been assigned to Parcels R-18, R-19, and R-20. It is felt that the recommended minimum disposition prices are appropriate.

It is recommended that the Authority adopt the attached resolution approving the minimum disposition prices for the properties listed thereon.
